## Partly Plan for Taiwan requests Real-Name Registration (RNR)

Thank you for your continued support of our services.

Due to regulatory changes, certain DHA SIM plans for Taiwan (please refer to the table below) will require Real-Name Registration (RNR) before use from now on.

Upon arrival in Taiwan, please insert SIM card or installed eSIM and complete the required procedures promptly upon receiving the related SMS notification (please refer to the next page for details).

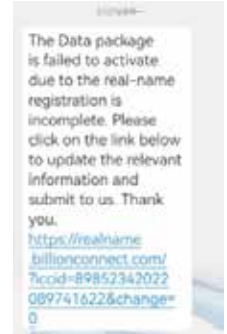

We apologize for any inconvenience caused and appreciate your understanding and cooperation.

Should you have any questions, please feel free to contact us anytime.

## Real-Name Registration (RNR) Method

- ① RNR message will be sent after inserting SIM/installing eSIM in Taiwan, **RNR is not supported to process in advance.**

- ② After clicking the RNR link in RNR message, will be redirected to the RNR site. (Wi-Fi or Mobile network is requested.)

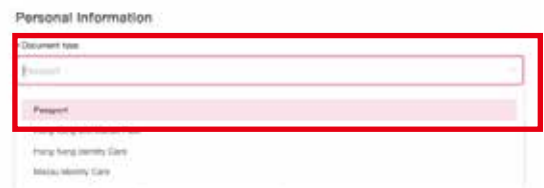

Select visit area (Taiwan) and input your email address.

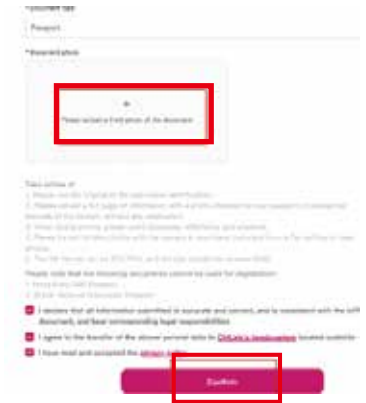

- ③ ICCID will be default input.

- ④ Select RNR type. E.g.: Passport.

- ⑤ Upload the picture of your passport and click continue.  
**Note: Please change the picture to try again if it keeps showing uploading due to large file.**

- ⑥ Submit after all the information confirmed.

- ⑦ After submitting, RNR will be approved in about 5 mins if there is no issue. Once Approved, the result will be sent to the e-mail address registered, and the internet will work normally from then.
